## **RECOMMENDATION:**

Conduct interviews for existing and scheduled vacancies on the Architectural Review Commission, Building Board of Appeals, Cultural Resources Preservation Committee, Finance Committee, Homelessness Task Force, Planning Commission, and Resource Preservation and Enhancement Committee.

## **BACKGROUND/ANALYSIS:**

The City is currently conducting its annual recruitment and appointment process to fill scheduled vacancies on several City committees and commissions. The terms for current appointees on the Architectural Review Commission, Building Board of Appeals, Cultural Resources Preservation Committee, Finance Committee, Planning Commission, and Resource Preservation and Enhancement Committee are set to expire on June 30, 2025. New appointments will serve four-year terms beginning July 1, 2025, and ending June 30, 2029.

In addition to these scheduled vacancies, there are two existing vacancies on the Homelessness Taskforce. One vacancy is for a representative from the Palm Desert business community, with a full term running from July 1, 2025, through June 30, 2029. The second vacancy is for an individual with lived experience of homelessness, who will serve the remainder of a current term expiring June 30, 2027.

In accordance with established City procedures, staff initiated a recruitment process, which included advertising on social media and posting public notices at City Hall. The application period has now closed. Candidate interviews will be conducted by the City Council to evaluate applicants for each position. Appointments will be formally approved at a subsequent regular City Council meeting.

REQUEST: Approval of City Council interview policies for members seeking reappointments to advisory boards and other bodies.

---

**Recommendation**

By minute motion, approve the following City Council interview policies for members seeking reappointments to advisory boards and other bodies:

1. Unless requested by a Councilmember, forgo an interview for a member who completes an application and desires to serve on the same advisory board: Art in Public Places, Resource Preservation and Enhancement, Parks and Recreation, Cultural Resources Preservation, Public Safety, Marketing and Housing; and
2. Require an interview for a member who completes an application for other advisory boards (other bodies): Architectural Review, Building Board of Appeals, Finance, Planning and Rent Review.

**Background**

On November 19, 2020, the City Council conceptually approved various recommendations regarding City commissions and committees (advisory boards and other bodies). Many of these recommendations required further City Council action, including revisions to ordinances, bylaws and other activities. Any approved revision resulting in a change to bylaws will be presented for City Council consideration at the conclusion of this comprehensive review.

**Streamlined Process for Potential Reappointment to an Advisory Board**

The City Council previously approved a recommendation in concept to create a limited review process for reappointments. The intention of the concept is to create efficiencies in the interview process for City Council, City staff and residents. The concept has been further developed by the Subcommittee for consideration.

As previously discussed by the City Council, various advisory boards and other bodies have a wide-range of responsibilities under their purview. Advisory boards routinely make recommendations to the City Council, including:

**Commissions**

Art in Public Places  
Parks and Recreation  
Public Safety  
Housing

**Committees**

Cultural Resources Preservation  
Marketing  
Cultural Preservation & Enhancement

For the advisory boards listed above, the Subcommittee recommends that, unless requested by a Councilmember, forgo interviewing a member who completes an application and desires to serve on the same advisory board. Please note a member would not be guaranteed reappointment to such position, but that an interview is not necessary for consideration. This recommendation only applies to members seeking the same reappointment.

#### Required Interview for Other Bodies

Unlike the advisory boards above, other bodies make decisions that are only reviewed under defined procedures. Those bodies include:

<u>Commissions</u>	<u>Boards</u>
Architectural Review Planning Rent Review	Building Board of Appeals

The Finance Committee plays a unique role in reviewing the financial standing of all city operations, which are governed by the actions of City Council and City staff.

For the other bodies listed above, the Subcommittee recommends requiring an interview for a member who completes an application. This recommendation continues to reinforce the City's commitment to fostering public trust and confidence in government.

Approval of the recommendations would be incorporated in the upcoming interview process, appropriate bylaws and a policy and procedure manual in the future.

#### Fiscal Analysis

There is no fiscal impact associated with this request.
