HOMELESSNESS TASK FORCE CITY OF PALM DESERT STAFF REPORT

MEETING DATE:	July 1, 2025
PREPARED BY:	Ivan Tenorio, Homeless and Supportive Services Manager
SUBJECT:	RIVERSIDE COUNTY PROBATION PRESENATATION

RECOMMENDATION:

This is a presentation; there is no action required with this item.

BACKGROUND/ANALYSIS:

At the February 13, 2025, City Council meeting, the City Council requested that a representative from the Riverside County Probation Department be invited to an upcoming Homelessness Taskforce meeting. The intent is to share information about the department's multi-agency approach to reducing recidivism, particularly as it relates to individuals experiencing homelessness. The presentation would offer insight into how the Probation Department engages with its clients and the services it provides to support rehabilitation and reduce repeat offenses.

Understanding the Unhoused Population in the Coachella Valley

The issue of unhoused individuals is multifaceted, shaped by a wide range of contributing factors. It's important to understand these are often interconnected and can exacerbate each other making it challenging for individuals to find stable housing and support. **Riverside County Probation has a** unique position in the criminal justice system. Clients are ordered to interact with probation officers to help address criminogenic needs through reasonable directives and court mandates.

SUCCESS STORIES

While conducting outreach, case managers encountered an individual staying behind a convenience store who initially rejected assistance. But the case managers left their contact information with the gentleman and after a few days, the client was open to talking with the team. He shared that after their first meeting, he had been thinking about returning to his home out of state, where he still had family waiting for him. (Continue on page 2)

PROGRAM HIGHLIGHT

City Net works hand in hand with a special department within the Riverside Sheriff's Department. The Special Enforcement Team (SET) addresses guality of life issues in their beats. A great deal of these issues is addressing the unhoused community and their unique needs. SET team officers have contacted City Net Case Managers when encountering unhoused individuals. Once contacted by the SET team, City Net Case Managers are dispatched and assist clients with transport to local shelters, coordinating and ordering and ardiverse and a statement of the second sta documents such as ID's and EBT cards, and reuniting individuals with family members even when family members are out of state. Many successes with City Net and their unhoused clients are due to the partnership with the Special Enforcement Team.

SUCCESS STORIES

(Continued from page 1) His case managers contacted the family, who were thrilled to hear from their estranged relative and offered him a place to live if he could travel home. City Net purchased a Greyhound ticket and provided transportation to the bus depot, seeing the client off on his journey home!

• While conducting outreach, City Net case managers encountered an individual several times who had been staying in an encampment near closed storefronts in Palm Desert. Although the individual was always receptive to conversing with case managers and accepting material goods, they were hesitant to accept more comprehensive services. Recently, case managers inquired as to the reason for the client's hesitancy in entering a shelter, where they only stated that they were worried about leaving a familiar environment on the street, even if it wasn't safe. But after a short hospitalization left the client in severe pain, they reached out to City Net for help and were quickly connected to the Coachella Valley Rescue Mission. Upon arriving at the shelter, the client went through the intake process with the case manager's assurance that their needs would be met and that once they recovered, the mission staff would be able to assist with permanent housing navigation.

**Please note that case managers meet clients where they're located at the time, even outside of city bounds, to provide care

Positive exits indicate clients moved off the streets or out of shelter into a more stable living situation.

Temporary housing includes rehabilitation programs, institutional care facilities, and all transitional housing placements.

Permanently housed clients rent a private residence where they may receive ongoing subsidies or have moved into a residence with family or friends permanently.

SUCCESS STORIES

Towards the end of 2024. City Net lost contact with a client who had enrolled intending to get housed. While they had been in regular contact during the early days of the client's enrollment, they lost contact abruptly around the new year. In February, the client reached out to his case manager, sharing that he had been in custody temporarily, and it had reignited his determination to find shelter or a housing option quickly. (Continue on page 3)

PROGRAM HIGHLIGHT

Our shelters in the Coachella Valley play an essential role for many of our clients who are in need of emergency assistance. From services such as showers, meals, and overnight stays, City Net would like to thank Martha's Village and Kitchen Access Center for the support that they offer to the community, as well as our clients!

(Continued from page 1) His case managers ensured that his essential documents were updated and in order, but he also expressed a desire to reconnect with his family. After reaching out, he learned that his family had been worried about him, and their relief at learning he was safe encouraged him to stay connected during his housing journey. He agreed to continue receiving City Net services now that he knew he had family waiting to reconnect with him once he finds a home of his own.

When concerned residents contacted City Net regarding an individual living in a high-traffic area of the city, case
managers quickly went out to engage them. The individual was wheelchair-bound and upon meeting case
managers, they explained that their accessibility challenges were the main barrier to entry for the shelters they
had previously explored. City Net took the time to question shelters in the area about accessibility options for
their clients until they found a shelter option that could work with the client's care. The team provided
transportation to the shelter for the client and stayed with them through the intake process at Martha's Village
Access Center. The staff's clear expectations and service options helped reassure the client that even if potential
challenges occurred while sheltered, the client would work with the staff to ensure that they could make
adjustments to accommodate their disability. When the client agreed to move forward with their stay, they
thanked City Net for their advocacy and assistance in finding a good shelter fit.

**Please note that case managers meet clients where they're located at the time, even outside of city bounds, to provide care

SUCCESS STORIES

For several months, case managers encountered a client in Palm Desert who was interested in shelter services and supportive resources from City Net. Despite enrolling and working to become document-ready during his meetings with case managers, shelter placement remained elusive. However, the client remained positive and continued to apply for every shelter option that his case managers could find. (Continue on page 3)

PROGRAM HIGHLIGHT

Veterans are a group that require a specific set of services. Working with several displaced veterans in Palm Desert, City Net has partnered with the Veteran's Affairs office. The VA has been greatly instrumental in providing clients with access to health care services, disability claim assistance, and transitional housing. With the assistance of the VA, City Net 33 recently placed a displaced veteran into transitional housing.

(Continued from page 1) His dedication paid off in March when he was finally accepted into a shelter program and had a stable place to stay as he started the housing navigation process.

The Palm Desert Library contacted City Net regarding a veteran who had been spending time at the library and
was possibly in need of services. City Net case managers met with the client at the library, where he shared that
he had been living on the street since becoming unhoused, and came to the library during the day for a place to
spend his time and rest. After enrolling the client, the case managers arranged visits to the Office of Veterans
Affairs for the client, looking for various resources that the client could use. After addressing the client's
immediate health and hygiene needs, his case managers focused on connecting him to the shelter. By the end
of March, the client entered a veteran transitional housing program which will allow him to focus on housing
navigation for a permanent placement.

College of the Desert staff recently contacted City Net to refer an individual from out of town who needed services. • A client contacted City Net for assistance after receiving a recent court date regarding his homelessness and hoped that the team would be a potential advocate for him. On the day of the appointment, City Net met with the client's attorney and explained the help that the organization would provide the client. The case managers assisted with a call to the Collaborative Court to set up an appointment for a detox facility. While conducting street outreach, case managers met an individual who was camping below an aqueduct near a busy interstate. The team offered him water and food before asking about his story and how he ended up experiencing homelessness. The client shared how he had been chronically homeless for some time after financial troubles, and in 2025 he had traveled from Palm Springs to Palm Desert after heavier police enforcement in the prior city had made it inhospitable.  City Net's positive reputation amongst former clients in Palm Desert has helped spread information about homeless services by word of mouth. The referrals from partnering agencies helped people, like one of City Net's recent clients, learn about assistance available for people experiencing homelessness. When a client called in, he shared how he had been referred to City Net by a former client who had a positive experience. Case managers met with the new client at Palm Desert Library and began assessing the client's document readiness and ensuring that the client would not lose any of the vital identifying documents that they would need in their future housing process. After establishing the client's housing and employment goals, he arranged to attend an upcoming job fair at his case manager's recommendation.

HOMELESSNESS TASK FORCE CITY OF PALM DESERT STAFF REPORT

MEETING DATE: July 1, 2025

PREPARED BY:Ivan Tenorio, Homeless and Supportive Services ManagerSUBJECT:RIVERSIDE COUNTY POINT IN TIME (PIT) COUNT 2025 SUMMARY

RECOMMENDATION:

Receive and file the Riverside County Point In Time (PIT) Count 2025 summary.

BACKGROUND/ANALYSIS:

Each January, the Riverside County Continuum of Care (CoC) conducts a federally mandated Point-in-Time (PIT) count to capture a snapshot of homelessness across the region. This count, required by the U.S. Department of Housing and Urban Development (HUD), identifies both sheltered and unsheltered individuals experiencing homelessness and is conducted in collaboration with local jurisdictions and service providers.

The 2025 PIT count, conducted in January, marked the return of a full unsheltered count effort following a one-year pause. In 2024, the County limited its efforts to a sheltered-only count, using data reported through the Homeless Management Information System (HMIS) from homeless service providers. In 2025, the full count effort was reinstated with the support of hundreds of volunteers who canvassed neighborhoods across Riverside County to collect demographic data and assess the current landscape of homelessness.

Key Findings:

- In early 2025, 3,990 people were counted as experiencing homelessness across Riverside County an increase from 3,725 in 2023.
- While overall homelessness has gone up, the number of people living unsheltered (on the streets) went down by 19%, which shows progress in connecting individuals to services.
- At the same time, there was an 11% increase in people accessing shelter, suggesting that more temporary housing options are available and being used.
- These numbers tell us that more people are moving off the streets and into shelter or temporary housing, even as overall homelessness has risen.

District 4 Overview (Eastern Riverside County):

• The Fourth Supervisorial District reported 1,062 individuals experiencing homelessness in 2025.

- Of these, 454 were unsheltered, down significantly from 755 unsheltered individuals in 2023 a reduction of nearly 40%.
- Meanwhile, the number of sheltered individuals rose to 608, up from 406 the previous year reflecting a 50% increase.

Palm Desert-Specific Findings:

- A total of 14 individuals were recorded in the City of Palm Desert during the 2025 PIT count.
 - 9 were unsheltered
 - 5 were sheltered the first-time sheltered placements have been recorded for Palm Desert in the PIT count
- This reflects a 64% overall decrease in homelessness from 2023, when 39 individuals were recorded, all unsheltered.
- The 77% reduction in unsheltered homelessness (from 39 to 9) highlights the City's focused outreach, engagement, and response efforts.
- Though modest in scale, Palm Desert's proportional progress is among the most significant in the Coachella Valley, indicating meaningful system change and improved local capacity to address homelessness.

The 2025 PIT count reflects encouraging progress in Riverside County's response to homelessness, with measurable reductions in unsheltered populations and expanded access to shelter placements. These trends suggest that regional investments in crisis response, outreach, and interim housing are beginning to yield positive outcomes, particularly in areas with enhanced coordination and supportive services.

In District 4, the data points to a clear shift: fewer people are living unsheltered, and more are accessing temporary shelter resources. This shift is likely the result of increased shelter bed availability, coordinated outreach efforts, and housing-focused case management deployed across the Coachella Valley

Highlights:

Sheltered increase reflects increased program participation in CALWORKS and system-wide capacity growth

For every **2 people entering** homelessness for the first time, **3** individuals were housed and maintained stable housing.

All major subpopulations —Veterans, Youth, Families, and Seniors— have decreased rates of unsheltered homelessness, while shelter access has continued to grow across those same groups.

More individuals are sheltered than unsheltered, showing real momentum toward **stability and support.**

HOMELESSNESS TASK FORCE CITY OF PALM DESERT STAFF REPORT

MEETING DATE: July 1, 2025

PREPARED BY: Ivan Tenorio, Homeless and Supportive Services Manager

SUBJECT: MEMORANDUM OF UNDERSTANDING (MOU) WITH THE COACHELLA VALLEY ASSOCIATION OF GOVERNMENTS (CVAG) FOR THE CV HOUSING FIRST PROGRAM

RECOMMENDATION:

Recommend that the City Council approve a One-Year Memorandum of Understanding with the Coachella Valley Association of Governments (CVAG) for the CV Housing First Program, including a funding allocation of \$125,000 for Fiscal Year 2025/2026.

BACKGROUND/ANALYSIS:

For the past four years, the City of Palm Desert has partnered with CVAG through its CV Housing First program to address chronic homelessness. The program centers around the CV 200, a byname list of chronically unsheltered individuals in the Coachella Valley. These individuals are often resistant to traditional shelter placement, have experienced multiple housing losses, and have frequent interactions with public safety personnel.

The list is developed collaboratively by CVAG member jurisdictions and local law enforcement. Each year, CVAG convenes with code enforcement officers, local police departments, and other stakeholders to review the CV 200 list, determining which individuals should remain or be removed. The updated list is then issued for the following calendar year.

Below is a summary of the CV Housing First program accomplishments over the four years.

Calendar Year	CV 200 PD Allotment	Permanently Housed	Percentage Achieved
2021	30	10	33.33%
2022	30	5	16.67%
2023	30	5	16.67%
2024	30	9	30%

The proposed MOU is a one-year agreement that will expire on June 30, 2026, unless extended. A 60-day written notice is required for early termination. The City would fund its \$125,000 contribution through its Permanent Local Housing Allocation (PLHA) program. While the current PLHA funding cycle concludes this year, a new five-year cycle (Round 6) will become available next calendar year or sooner. However, the City anticipates reduced allocations due to declining statewide PLHA revenues. If funding delays or reductions occur, staff may recommend reallocating resources from other programs to ensure continuity.

This agreement reflects the City's continued commitment to regional collaboration in addressing chronic homelessness throughout the Coachella Valley. By maintaining its participation in the CV Housing First program, the City reinforces its support for a coordinated, data-driven approach that prioritizes housing solutions for the region's most vulnerable residents.

This contribution reflects the first increase in over 15 years, up from the prior annual commitment of \$100,000, and acknowledges the rising costs associated with housing, staffing, and service delivery. Moving forward, annual contributions may be subject to modest inflationary adjustments based on the Riverside-San Bernardino-Ontario Consumer Price Index (CPI), as reviewed and recommended by the CVAG Homelessness Committee

MEMORANDUM OF UNDERSTANDING BETWEEN

THE CITY OF PALM DESERT

AND

COACHELLA VALLEY ASSOCIATION OF GOVERNMENTS

FOR FUNDING CV HOUSING FIRST AND ADDRESSING HOMELESSNESS

This Memorandum of Understanding (the "Memorandum") is made by and between the CITY OF PALM DESERT and the COACHELLA VALLEY ASSOCIATION OF GOVERNMENTS ("CVAG"), with respect to the following:

WHEREAS, the City of Palm Desert is interested in funding the provision of food, emergency shelter, and outreach to those in need and, in that regard would like to support the CVAG homelessness program; and

WHEREAS, the City of Palm Desert is supporting CVAG's CV Housing First program as a regional solution for homeless individuals; and

WHEREAS, CVAG agrees to use the City of Palm Desert funding for the CV Housing First program to provide case management and outreach services to chronically homeless individuals in the Coachella Valley for the coming years;

NOW, THEREFORE, the City of Palm Desert and CVAG agree to the following:

1.0 TERM OF MEMORANDUM.

The term of this Memorandum shall expire on June 30, 2026, unless earlier terminated by either party by giving written notice of termination at least sixty (60) days prior to July 1st of any fiscal year.

2.0 OBLIGATIONS OF THE PARTIES.

2.1 CVAG shall provide the services set forth in Exhibit A attached hereto and incorporated herein by this reference ("Scope of Services"). CVAG shall deliver quarterly reports to the City of Palm Desert detailing the CV Housing First program metrics as set forth in Exhibit B attached hereto and incorporated by this reference ("Quarterly Reports"). CVAG shall comply with any and all federal, state, and local laws and regulations applicable to CVAG, the Scope of Services, and the use of the City of Palm Desert (as defined in Section 2.2 below) and the use of any other public moneys (collectively, the "Compliance Requirements").

2.2 The City of Palm Desert will provide financial support each fiscal year for the duration of the agreement. In Fiscal Year 2025-26, the payment shall be One Hundred Twenty-Five Thousand Dollars (\$125,000) to CVAG. Subsequent annual payments shall incorporate an annual inflation adjustment that mirrors the one used by CVAG for its Transportation Uniform Mitigation Fee and be based on the Riverside-San Bernardino-Ontario Consumer Price Index (CPI). Such CPI will be reviewed annually by the Homelessness Committee, which will determine whether or not to apply the inflation factor.

2.3 The City of Palm Desert Funds shall be paid provided CVAG complies with its obligations under this Memorandum and provided that the Memorandum is not earlier terminated as provided for herein. The City of Palm Desert shall disburse the funds no later than 90 days after the beginning of each fiscal year. All funds shall be used by CVAG for the Scope of Services and for no other purpose. If CVAG fails to provide CV Housing First services for a fiscal year, the City of Palm Desert may withhold an installment disbursement of the Funds that have not yet been disbursed. If CVAG fails to comply with any Compliance Requirements, the City of Palm Desert may (i) withhold an installment disbursement that has not yet been disbursed, (ii) order a return to the City of Palm Desert of any portion or all City of Palm Desert Funds that were not used in compliance with this Memorandum or any other Compliance Requirements, and/or (iii) seek any other rights or remedies available at law or in equity.

3.0 INDEMNITY AND RELEASE.

CVAG hereby agrees to indemnify, defend, and hold harmless the City of Palm Desert and its officers, employees, agents and independent contractors (collectively, "Indemnitees") from and against any and all of claims, causes of action, obligations, losses, liabilities, judgments, or damages, including reasonable attorneys' fees and costs of litigation (collectively "Claims") arising out of and/or in any way relating to CVAG's activities in the performance of this Memorandum, or to CVAG's acts and/or omissions in providing or administering the same, excepting only those claims, actions, obligations, losses, liabilities, judgments, or damages arising out of the sole negligence, active negligence or willful misconduct of the City of Palm Desert.

4.0 CVAG INSURANCE OBLIGATIONS.

Without limiting the indemnification provisions provided herein, CVAG, at its sole expense, shall obtain and keep in force during the term of this Memorandum and any extensions thereof, a policy or policies of general liability insurance covering all injuries to persons and damage to property occurring in, upon or about the CVAG facility(ies) resulting from any actions or omissions of CVAG or any use of the CVAG facility(ies), or the CVAG's invitees in

accordance with the terms of this Memorandum. At the City of Palm Desert request, these CVAG shall submit certificates of insurance and any applicable endorsements evidencing that the foregoing policy or policies are in effect.

5.0 ADDITIONAL PROVISIONS.

5.1 In all cases, the language in all parts of this Memorandum shall be construed according to its fair meaning and not strictly for or against either party, if being agreed that the parties or their agents have all participated in the preparation of this Memorandum.

5.2 This Memorandum contains the entire agreement of the Parties and supersedes any prior oral or written statements or agreements between the Parties regarding the operation of CVAG's CV Housing First Program.

5.3 No termination of this Memorandum shall release either party from any liability or obligation hereunder resulting from any acts, omissions or events happening prior to the termination of this Memorandum.

5.4 In the event either party brings any suit or other proceeding with respect to the subject matter or enforcement of this Memorandum, the prevailing party (as determined by California law) shall, in addition to such other relief as may be awarded, be entitled to recover reasonable attorneys' fees, expenses and costs of suit or investigation as actually incurred (including, without limitation, reasonable attorneys' fees, expenses, and costs incurred in establishing the right to indemnification).

EXHIBIT A

Scope of Services

Provide services to unhoused individuals and families in the Coachella Valley, and more specifically in the CITY OF PALM DESERT who are literally homeless by providing outreach, connections to housing solutions (including crisis stabilization housing and/or permanent solutions), rapid resolution assistance for one-time emergency needs such as move-in costs, or other supportive services and resources such as food distribution, legal services or clinics, and linkages to housing services.

EXHIBIT B

CV Housing First Metrics and Reporting Requirements

CVAG will also provide a quarterly report, modeled after the one attached, that provides an overview of services provided across the Coachella Valley. In addition, if requested by the City of Palm Desert, CVAG shall provide information on the following program components on a six-month basis:

• Number of unduplicated CV 200 clients from the City of Palm Desert who moved into crisis stabilization housing

• Number of permanent housing resolutions for CV 200 clients from the City of Palm Desert

- Number of contacts made with CV 200 clients in the City of Palm Desert
- Number of total outreach scheduled outings in the City of Palm Desert

CITY CLERK'S OFFICE

MEMORANDUM

Subject:	Updates to Homelessness Task Force Meeting Schedule
Date:	March 21, 2025
То:	Homelessness Task Force
From:	Anthony J. Mejia, City Clerk

The City Council recently adopted updates to the Palm Desert Municipal Code affecting all boards, commissions, committees, and task forces, including the Homelessness Task Force (HTF). These changes were made to ensure that appointed bodies remain aligned with City priorities, operate efficiently, and serve their intended purpose effectively. If you have any questions or need further clarification, please do not hesitate to reach out.

Anthony J. Mejia, City Clerk amejia@palmdesert.gov Office: 760-776-6304

Changes to Meeting Schedule

Previously, the HTF met every other month. Under the new ordinance, HTF will now meet semi-annually (twice per year). This change was implemented to ensure that meetings occur when necessary while maintaining transparency and community engagement.

Calling a Special Meeting

The City's standard practice is to provide approximately one week's advance notice for meetings to ensure members have sufficient time to plan for their participation and to provide the public with adequate notice. A special meeting may be called in one of two ways:

- 1. **By the Chairperson** The chairperson may request a special meeting by contacting the staff liaison.
- 2. By a Majority of Appointed Members A majority of the committee may request a special meeting, but members must do so individually and without discussing or coordinating their requests with each other.

To ensure compliance with the Ralph M. Brown Act, members may not discuss amongst themselves whether to call a special meeting. Additionally, members may not ask staff to poll other members or relay messages regarding their interest in holding a meeting.

Process for Requesting a Special Meeting:

- Members who believe a special meeting is needed must submit their request individually to the staff liaison.
- The staff liaison will not act on a request from a single member but will track requests.
- If requests from a majority of appointed members are received, the staff liaison will notify the chairperson and proceed with scheduling.
- The agenda will be set by the staff liaison in consultation with the chairperson and will be strictly limited to the topics requested.

Important Note: Special meetings will only be held when there is a clear and appropriate purpose that aligns with HTF's established mission and responsibilities. Requests for meetings that fall outside the committee's scope will not be accommodated. Meetings should occur only when City business warrants committee input—not for personal projects, advocacy, or general discussions.
