PALM DESERT

INTRODUCTION

The City of Palm Desert will be taking over library services in the City from the County of Riverside as of July 1, 2024.

Staff plan a light refresh of the current branch building located at 73-300 Fred Waring Drive. This will include some new furniture, fixtures, and equipment and reupholstery of some existing furniture.

PLAN FOR REFRESH

1

PAINT

Brighten the Space and create a more welcoming environment.

2

WALL-COVERINGS

Addition of wallpaper, magnetic activity wall, & colored film added to some glass surfaces.

3

FLOORING

New carpet in the Community Room & new flooring in the welcome area.

4

EQUIPMENT

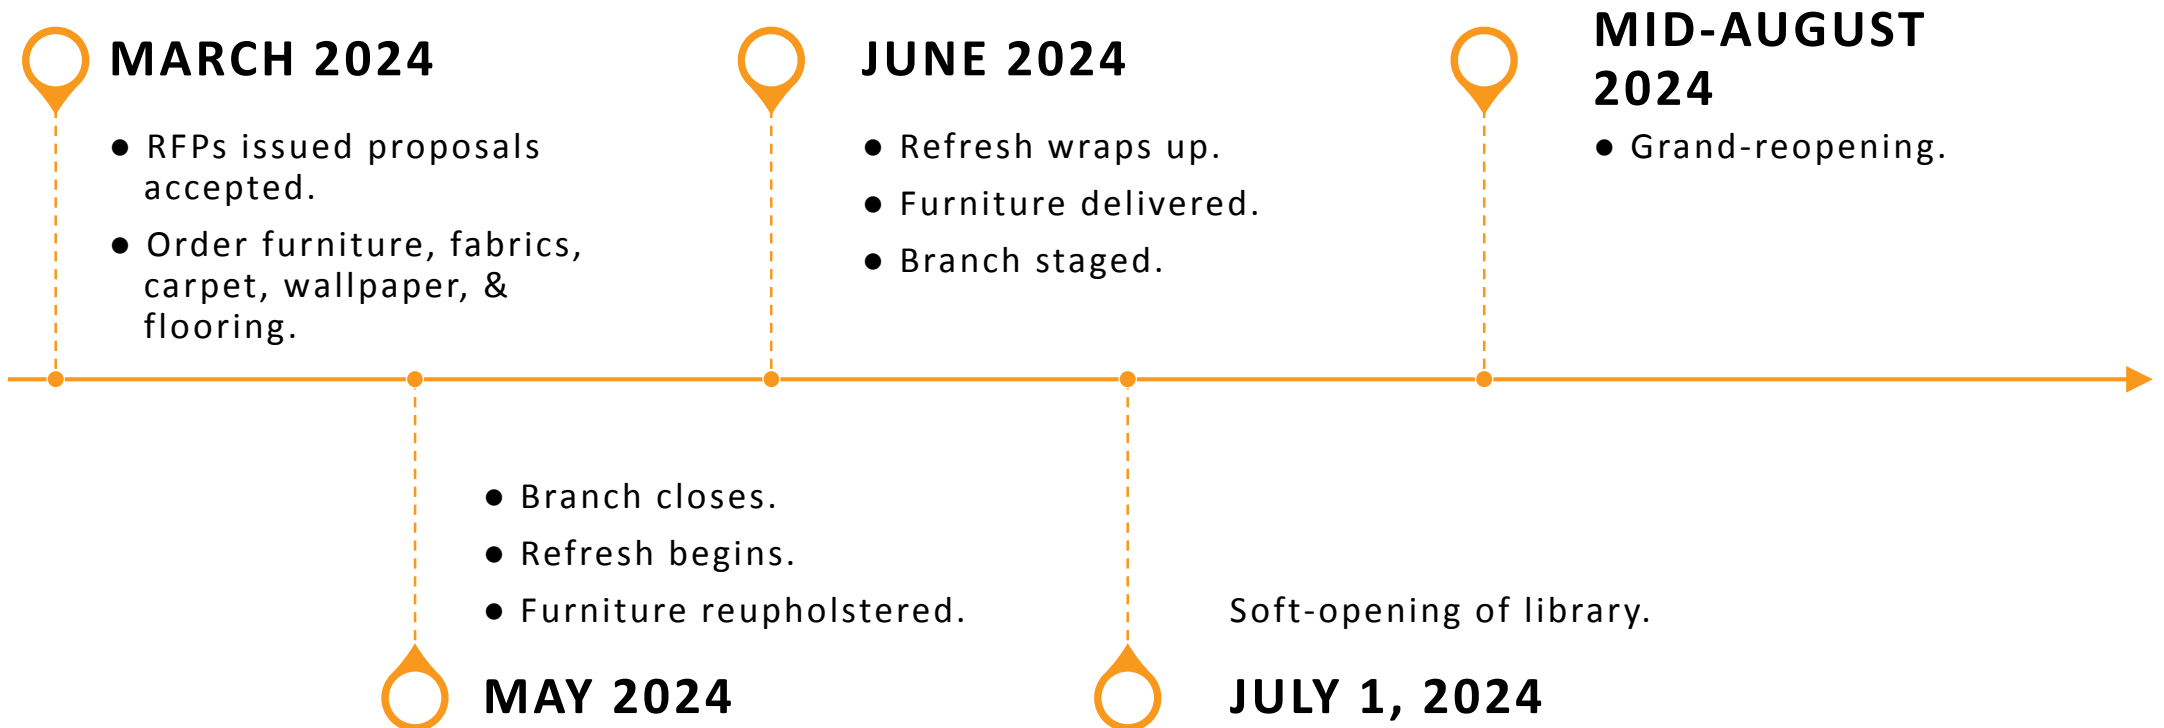

Laptop lending machine, new leased equipment, & replacement of some equipment at its end-of-life.

5

FURNITURE

Some new, some reupholstery of existing, redeployment of other existing
