For the City Clerk,

We are respectfully requesting a delay regarding the denial of our project #ST23-0008 - Gord German (Job#186G-001). We believe that the council did not have all of the facts in particular on the legal ability to sell Lot F versus vacate accordingly.

We would like the opportunity to speak with both the Palm Desert City Engineer as well as the Palm Desert City Attorney as both should be aware of the legalities within this project.

We would appreciate the delay as time is of the essence to meet with both of these people prior to the meeting on Thursday.

Sincerely,

Gordon & Cori German
