**Subject:** Bias is not a good look on a Mayor

Dear Ms Karina Quintanilla,

As a resident of Palm Desert, I took great offense to your facebook comment about the Patriot store. It is obvious by your posting, that had this been a store that carried Democratic candidates, instead of Republican you would have been fine with the store. The reason I make this "assumption" is because if you dislike a store that represents this country, and shows pride in this country, then you do NOT belong as the mayor of a great city like Palm Desert.

You have shown yourself to be extremely untrustworthy by your previous accusations to other council members and now you show your true disdain for a large percentage of your constituents by writing such a biased comment.

Unfortunately I will not be able to be at the council meeting at 4pm, but I wanted my thoughts known to you and to

remind you that as a Cuban, Jewish woman I am proud of my country and proud of the Republican Party and as an attorney will do all I can to help them progress in our great city.

Sincerely,

Jeannette R. Noceda

Dear City Council,

I am very frustrated by the recent post of Mayor Quintanilla's Facebook page. She was complaining and saying the "HATES" the recent article by the El Paseo Catalogue reporting on the Patriot Store and what it offers. The Facebook page is her mayor page and I feel this is a definite attack on republicans. If this were a democrat article, I don't think she would have a problem. The article was NOT pushing a republican agenda in any way. If talking about Patriotic products in something that hurts your feelings then the City council has a problem. I think the mayor should issue an apology and consider resigning.
