RE: Avondale Golf Club Equity Member Vote

Good Morning Nick:

As you are aware, the Avondale Golf Club is an equity owned entity. Per the By-Laws of the Club, a vote of the equity members was taken regarding the request for Historical Status of the clubhouse by the City of Palm Desert. A simple majority of the vote was needed to pass the request. The vote came back with overwhelming approval for the Club to move forward in asking for this request. All conditions for voting as required by the By-Laws of the Avondale Golf Club were met.
