T86 recorded 4 responses in City of Palm Desert from 10/1/2024 1:43:31 PM to 12/31/2024 1:43:31 PM

Significant Incidents

- 24CARRU172677
11/9/2024 8:49:00AM
CAL FIRE/ Riverside County Fire Department resources responded to an unconscious 63-year-old male at the Oasis Country Club golf course. Bystanders witnessed the adult male having seizure like activity while playing golf, which caused the male to collapse on the ground striking his head. The patient ended up falling into a pond of water next to the 13th green of the golf course. Witnesses stated that the male was submerged under water for approximately half a minute before bystanders removed him from the pond. Fire crews arrived on scene to find the male patient in severe respiratory distress, with an altered mental status. Firefighters provided advanced life support and trauma treatment measures to the patient on scene and transported to the nearest most appropriate medical facility. On arrival to the hospital, the male patient was alert, oriented, and speaking with firefighters in full and complete sentences. The patient is currently being evaluated by hospital medical staff.

12/5/2024 4:49:00PM
CAL FIRE / Riverside County Fire department resources responded to a commercial structure fire at 74894 Lennon Place in suite C1. The first arriving Company Officer reported light smoke from a single store commercial building. The fire was isolated and extinguished in the attic space above a restroom in the business. City of Palm Desert Building officials will need to follow up due to electrical damage in the building.
- 24CARRU187820
12/6/2024 11:14:00AM
Units from CAL FIRE / Riverside County Fire responded to a structure fire at 904 Mesa Grande Drive in the City of Palm Desert. The first arriving Company Officer reported a single story residential structure with a working attic fire. Crews made an aggressive interior fire attack, until they were driven outside due to a partial roof collapse. The incident commander altered strategies, and a defensive attack was implemented for fire fighter safety. One resident was displaced, however they did not require assistance at this time. City of Palm Desert building officials will need to respond to red tag the structure.
- 24CARRU190372
12/10/2024 4:43:00PM
CAL FIRE / Riverside County Fire Department responded to a residential structure fire at 43798 Virginia Avenue in the city of Palm Desert. The first arriving fire engine reported a single-story, single-family dwelling with heavy smoke and fire showing from the rear of the structure. The fire also threatened two additional residences on either side of the original residence; therefore, a second alarm was requested for extra staffing. Fire crews protected the exposures with hose lines and made an aggressive interior attack on the main fire. Fire crews were able to contain the fire to the home of origin without any additional damage to nearby homes. One resident was displaced from their home and has requested Red Cross assistance. The home was completely destroyed by fire and the Palm Desert Building and Safety Department was contacted to red-tag the home.
- 24CARRU197992
12/23/2024 8:49:00AM
CAL FIRE / Riverside County Fire Department responded to a residential structure fire at 73629 Amir Drive in Palm Desert. The first arriving fire engine reported a single-story duplex with heavy smoke and fire coming from the garage. Fire crews quickly deployed hose lines and contained the fire to the garage. It was later determined that the fire originated from a vehicle. One resident was displaced from the home. The Palm Desert Building and Safety Department will also respond to the house and the structure.
