

Emergency Services Division

MONTHLY SERVICE REPORT

Reporting Period: January 2025

City Internal Activities:

Malibu Emergency Operations Center (EOC):

- Provided mutual assistance to the City of Malibu, supporting the Planning Section within the Emergency Operations Center.

Building Resilient Infrastructure and Communities (BRIC) Grant:

- Assisting the Capital Projects team in pursuing potential BRIC funding to support the Mountain View Retention Project.

Point-in-Time Count:

- Participated in the annual Point-in-Time Count alongside Code Compliance, the Sheriff's Department, and the Homeless Services Manager to document both sheltered and unsheltered individuals experiencing homelessness in a single night.

Emergency Operations Plan (EOP) Update:

- Ongoing efforts to update the City's Emergency Operations Plan, with a focus on integrating a comprehensive heat response strategy to effectively address extreme heat events.

Events: January 8, 2025

- The Lakes Country Club Emergency Preparedness Event
- Coachella Valley Emergency Managers Meeting

City Training:

FEMA Trainings:

- Assisting new staff in completing the Incident Command System courses (ICS 100, 200, and 700). Current completion rate: 76 out of 141 employees trained.

Emergency Management Training:

Intermediate ICS for Expanding Incidents / FP-MGT904-792

- Completed the ICS 300 training
