(3) Thirty-nine and seven-tenths percent to the county and the cities within the county, and, in the case of San Mateo, Kern, Siskiyou, and Contra Costa Counties, also to the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District, in accordance with the relative population of the cities within the county and the unincorporated area of the county, and the Broadmoor Police Protection District in the County of San Mateo, the Bear Valley Community Services District and the Stallion Springs Community Services District in Kern County, the Lake Shastina Community Services District in Siskiyou County, and the Kensington Police Protection and Community Services District in Contra Costa County, as specified in the most recent January estimate by the Demographic Research Unit of the Department of Finance, and as adjusted to provide, except as provided in subdivision (i), a grant of at least one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction. For a newly incorporated city whose population estimate is not published by the Department of Finance, but that was incorporated prior to July 1 of the fiscal year in which an allocation from the SLESA is to be made, the city manager, or an appointee of the legislative body, if a city manager is not available, and the county administrative or executive officer shall prepare a joint notification to the Department of Finance and the county auditor with a population estimate reduction of the unincorporated area of the county equal to the population of the newly incorporated city by July 15, or within 15 days after the Budget Act is enacted, of the fiscal year in which an allocation from the SLESA is to be made. No person residing within the Broadmoor Police Protection District, the Bear Valley Community Services District,

the Stallion Springs Community Services District, the Lake Shastina Community Services District, or the Kensington Police Protection and Community Services District shall also be counted as residing within the unincorporated area of the County of San Mateo, Kern, Siskiyou, or Contra Costa, or within any city located within those counties. Moneys allocated to the county pursuant to this subdivision shall be retained in the county SLESA, and moneys allocated to a city pursuant to this subdivision shall be deposited in a SLESA established in the city treasury.

(4) Fifty percent to the county or city and county to implement a comprehensive multiagency juvenile justice plan as provided in this paragraph. The juvenile justice plan shall be developed by the local juvenile justice coordinating council in each county and city and county with the membership described in Section 749.22 of the Welfare and Institutions Code. The plan shall be reviewed and updated annually by the council. The plan or updated plan may, at the discretion of the county or city and county, be approved by the county board of supervisors. The plan or updated plan shall be submitted to the Office of Youth and Community Restoration by May 1 of each year in a format specified by the office that consolidates the form of submission of the annual comprehensive juvenile justice multiagency plan to be developed under this chapter with the form for submission of the annual Youthful Offender Block Grant plan that is required to be developed and submitted pursuant to Section 1961 of the Welfare and Institutions Code.

(A) The multiagency juvenile justice plan shall include, but not be limited to, all of the following components:

(i) An assessment of existing law enforcement, probation, education, mental health, health, social services, drug and alcohol, and youth services resources that specifically target at-risk juveniles, juvenile offenders, and their families.

(ii) An identification and prioritization of the neighborhoods, schools, and other areas in the community that face a significant public safety risk from juvenile crime, such as gang activity, daylight burglary, late-night robbery, vandalism, truancy, controlled substances sales, firearm-related violence, and juvenile substance abuse and alcohol use.

(iii) A local juvenile justice action strategy that provides for a continuum of responses to juvenile crime and delinquency and demonstrates a collaborative and integrated approach for implementing a system of swift, certain, and graduated responses for at-risk youth and juvenile offenders.

(iv) A description of the programs, strategies, or system enhancements that are proposed to be funded pursuant to this subparagraph.

(B) Programs, strategies, and system enhancements proposed to be funded under this chapter shall satisfy all of the following requirements:

(i) Be based on programs and approaches that have been demonstrated to be effective in reducing delinquency and addressing juvenile crime for any elements of response to juvenile crime and delinquency, including prevention, intervention, suppression, and incapacitation.

(ii) Collaborate and integrate services of all the resources set forth in clause (i) of subparagraph (A), to the extent appropriate.

(iii) Employ information sharing systems to ensure that county actions are fully coordinated, and designed to provide data for measuring the success of juvenile justice programs and strategies.

(C) To assess the effectiveness of programs, strategies, and system enhancements funded pursuant to this paragraph, each county or city and county shall submit, by October 1 of each year, a report to the county board of supervisors and to the Office of Youth and Community Restoration on the programs, strategies, and system enhancements funded pursuant to this chapter. The report shall be in a format specified by the office that consolidates the report to be submitted pursuant to this chapter with the annual report to be submitted to the office for the Youthful Offender Block Grant program, as required by subdivision (c) of Section 1961 of the Welfare and Institutions Code. The report shall include all of the following:

(i) An updated description of the programs, strategies, and system enhancements that have been funded pursuant to this chapter in the immediately preceding fiscal year.

(ii) An accounting of expenditures during the immediately preceding fiscal year for each program, strategy, or system enhancement funded pursuant to this chapter.

(iii) A description and expenditure report for programs, strategies, or system enhancements that have been cofunded during the preceding fiscal year using funds provided under this chapter and Youthful Offender Block Grant funds provided under Chapter 1.5 (commencing with Section 1950) of Division 2.5 of the Welfare and Institutions Code.

(iv) Countywide juvenile justice trend data available from existing statewide juvenile justice data systems or networks, as specified by the Office of Youth and Community Restoration, including, but not limited to, arrests, diversions, petitions filed, petitions sustained, placements, incarcerations, subsequent petitions, and probation violations, and including, in a format to be specified by the office, a summary description or analysis, based on available information, of how the programs, strategies, or system enhancements funded pursuant to this chapter have or may have contributed to, or influenced, the juvenile justice data trends identified in the report.

(D) The office shall, within 45 days of having received the county's report, post on its internet website a description or summary of the programs, strategies, or system enhancements that have been supported by funds made available to the county under this chapter.

(E) The Office of Youth and Community Restoration shall compile the local reports and, by March 1 of each year following their submission, make a report to the Governor and the Legislature summarizing the programs, strategies, and system enhancements and related expenditures made by each county and city and county from the appropriation made for the purposes of this paragraph. The annual report to the Governor and the Legislature shall also summarize the countywide trend data and any other pertinent information submitted by counties indicating how the programs, strategies, or system enhancements supported by funds appropriated under this chapter

have or may have contributed to, or influenced, the trends identified. The office may consolidate the annual report to the Legislature required under this paragraph with the annual report required by subdivision (d) of Section 1961 of the Welfare and Institutions Code for the Youthful Offender Block Grant program. The annual report shall be submitted pursuant to Section 9795, and shall be posted for access by the public on the internet website of the office.

(c) Subject to subdivision (d), for each fiscal year in which the county, each city, the Broadmoor Police Protection District, the Bear Valley Community Services District, the Stallion Springs Community Services District, the Lake Shastina Community Services District, and the Kensington Police Protection and Community Services District receive moneys pursuant to paragraph (3) of subdivision (b), the county, each city, and each district specified in this subdivision shall appropriate those moneys in accordance with the following procedures:

(1) In the case of the county, the county board of supervisors shall appropriate existing and anticipated moneys exclusively to provide frontline law enforcement services, other than those services specified in paragraphs (1) and (2) of subdivision (b), in the unincorporated areas of the county, in response to written requests submitted to the board by the county sheriff and the district attorney. Any request submitted pursuant to this paragraph shall specify the frontline law enforcement needs of the requesting entity, and those personnel, equipment, and programs that are necessary to meet those needs.

(2) In the case of a city, the city council shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief of police of that city or the chief administrator of the law enforcement agency that provides police services for that city.

(3) In the case of the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County, the legislative body of that special district shall appropriate existing and anticipated moneys exclusively to fund frontline municipal police services, in accordance with written requests submitted by the chief administrator of the law enforcement agency that provides police services for that special district.

(d) For each fiscal year in which the county, a city, or the Broadmoor Police Protection District within the County of San Mateo, the Bear Valley Community Services District or the Stallion Springs Community Services District within Kern County, the Lake Shastina Community Services District within Siskiyou County, or the Kensington Police Protection and Community Services District within Contra Costa County receives any moneys pursuant to this chapter, in no event shall the governing body of any of those recipient agencies subsequently alter any previous, valid appropriation by that body, for that same fiscal year, of moneys allocated to the county or city pursuant to paragraph (3) of subdivision (b).

(e) For the 2011–12 fiscal year, the Controller shall allocate 23.54 percent of the amount deposited in the Local Law Enforcement Services Account in the Local Revenue Fund 2011 for the purposes of paragraphs (1), (2), and (3) of subdivision (b), and shall allocate 23.54 percent for purposes of paragraph (4) of subdivision (b).

(f) Commencing with the 2012–13 fiscal year, subsequent to the allocation described in subdivision (c) of Section 29552, the Controller shall allocate 23.54363596 percent of the remaining amount deposited in the Enhancing Law Enforcement Activities Subaccount in the Local Revenue Fund 2011 for the purposes of paragraphs (1) to (3), inclusive, of subdivision (b), and, subsequent to the allocation described in subdivision (c) of Section 29552, shall allocate 23.54363596 percent of the remaining amount for purposes of paragraph (4) of subdivision (b).

(g) Commencing with the 2013–14 fiscal year, subsequent to the allocation described in subdivision (d) of Section 29552, the Controller shall allocate 23.54363596 percent of the remaining amount deposited in the Enhancing Law Enforcement Activities Subaccount in the Local Revenue Fund 2011 for the purposes of paragraphs (1) to (3), inclusive, of subdivision (b), and, subsequent to the allocation described in subdivision (d) of Section 29552, shall allocate 23.54363596 percent of the remaining amount for purposes of paragraph (4) of subdivision (b). The Controller shall allocate funds in monthly installments to local jurisdictions for public safety in accordance with this section as annually calculated by the Director of Finance.

(h) Funds received pursuant to subdivision (b) shall be expended or encumbered in accordance with this chapter no later than June 30 of the following fiscal year. This subdivision shall become inoperative on July 1, 2015.

(i) In the 2010–11 fiscal year, if the fourth quarter revenue derived from fees imposed by subdivision (a) of Section 10752.2 of the Revenue and Taxation Code that are deposited in the General Fund and transferred to the Local Safety and Protection Account, and continuously appropriated to the Controller for allocation pursuant to this section, are insufficient to provide a minimum grant of one hundred thousand dollars (\$100,000) to each law enforcement jurisdiction, the county auditor shall allocate the revenue proportionately, based on the allocation schedule in paragraph (3) of subdivision (b). The county auditor shall proportionately allocate, based on the allocation schedule in paragraph (3) of subdivision (b), all revenues received after the distribution of the fourth quarter allocation attributable to these fees for which payment was due prior to July 1, 2011, until all minimum allocations are fulfilled, at which point all remaining revenue shall be distributed proportionately among the other jurisdictions.

(j) The county auditor shall redirect unspent funds that were remitted after July 1, 2012, by a local agency to the County Enhancing Law Enforcement Activities

Subaccount pursuant to subdivision (h), to the local agency that remitted the unspent funds in an amount equal to the amount remitted.
