**Week 7: July 21 - 25 Theme: Lights, Camera, Action!**

Description: The stage is set for performing arts fun! This week will be all about discovering how to express yourself through different forms of storytelling; from dance to music to acting. Campers will find their role in it all, whether it be building props, set design, being behind the lens, or taking center stage!

**Week 8: July 28 - August 1 Theme: Medieval Times**

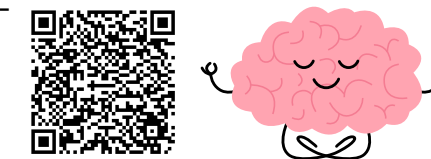

Description: Castles and dragons and knights, oh my! Campers will build catapults, design royal crests, and explore the legends and inventions of the Middle Ages through playful hands-on activities.

**Week 9: August 4 - 8 Theme: Blast Off!**
