Merchandise/F&B	\$ 11,319	\$ 11,376
Total	\$229,088	\$201,239

Golf Course Update:

This season has been highly productive, which is encouraging to see. Although we faced some unique weather challenges, our performance has consistently exceeded last year's results. As we look ahead to May, we can anticipate a smooth transition from winter rye to Bermuda grass, which will further enhance our growth.
