WHEREAS, this City Council, by Ordinance as authorized by Section 53340 of the Government Code of the State of California, has authorized the levy of a special tax to pay for costs and expenses related to said District, and this City Council intends to establish the specific rate of the special tax to be collected for the next fiscal year.

That the special tax rates for each tax category to be used to generate special tax revenues, which will be collected to pay for the costs and expenses for the next fiscal year (2025/2026) for the referenced District, will not exceed the rates as set forth in the attached, referenced and incorporated Exhibit "A".

SECTION 3. That the rate as set forth above does not exceed the amount as previously authorized by Ordinance of this Council and is not in excess of that as previously approved by the qualified electors of the District.

The Tax Collector is hereby authorized to deduct reasonable administrative costs incurred in collecting any said Special Tax.

SECTION 5. All monies collected pursuant to this Resolution shall be paid into the funds of the District.
