Re: Written testimony in regards to Agenda Item: 13.m (proposed vacating of public service easement)

Dear current Palm Desert City Council,

Position: In Support of staff recommendation

It's refreshing that the current City Council appears not to have a conflict with this request for vacating of public lands.

Please be reminded of recent City Council radical political maneuvers to change city procedures of street vacations that may of directly influenced selected Individual(s) of that city council.

It's recommended to abandon the newly constructed street vacation policy that were politicized by past city council members.

Sincerely,

Brad Anderson |
