STRIVE FOR EXCELLENCE: GROWING WITH OUR COMMUNITY

Expanding to Meet Our Community's Needs

- ▶ As the Coachella Valley grows, so does demand for care. Eisenhower is committed to expanding inpatient capacity.
- ▶ A new nursing unit on campus adds 26 inpatient beds, improving patient flow and reducing wait times.

Improving Access Across the Valley

- ▶ Over the past 15 years, Eisenhower has opened 100+ clinics across nearly every medical and surgical specialty.

Enhancing Emergency Care

- ▶ With strong community support, Eisenhower became a designated trauma center, providing faster care for critical needs.
- ▶ 10 new triage bays added to the Emergency Room to better serve urgent care patients.

STRIVE FOR EXCELLENCE: INNOVATING FOR TOMORROW

Leading Through Innovation and Transformation

- ▶ Health care is constantly evolving, driven by innovation, patient needs, and a rapidly changing environment.
- ▶ Eisenhower continually adapts and transforms to deliver exceptional, value-based care.

Pioneering Technology in the Valley

- ▶ Artificial Intelligence (AI) is beginning to reshape health care delivery and Eisenhower is already integrating new AI tools.
- ▶ Minimally invasive robotic surgery is replacing open surgery at a rapid pace.
- ▶ Eisenhower leads the state with 18 surgical robots in service.

Shaping the Future of Health Care

- ▶ We're not just keeping pace—we're defining the future of care in the Coachella Valley and beyond.

EISENHOWER HEALTH SERVING THE COMMUNITY

Care for
1.1M patient visits

Treat nearly 100,000

EDOC ORTHOPEDICS VISITS	▶	7,698

A STRONG PARTNERSHIP: CITY OF PALM DESERT AND EISENHOWER HEALTH

▶ **Eisenhower's Economic Impact**

As the Valley's largest employer, Eisenhower, bolstered by a strong partnership with the City of Palm Desert, remains a cornerstone of health care and economic vitality.

▶ A 2024 Strategic Econometrics study shows **Eisenhower supports 3.5% of all jobs, 6.3% of labor income, and 4.7% of total economic activity in the Coachella Valley.**

▶ In 2024, Eisenhower generated **9,316 jobs, \$904M in employee earnings, and \$1.8B in economic output, with a \$1.16B value-added impact.**

The Washington Family Center

- ▶ New hub for cardiovascular care
- ▶ 82,000 sf Cardiovascular Institute under construction

Comprehensive Cardiac Services

- ▶ Outpatient cardiology, cardiothoracic and vascular surgery
- ▶ 10 labs and 100 exam rooms

Streamlined, Advanced Care

- ▶ Cutting-edge diagnostics and treatments
- ▶ Designed to improve patient experience and care coordination

Specialty Clinics Expansion

- ▶ New 60,000 sf building
- ▶ Expands access to Behavioral Health and other clinical specialties

A Vision for the Future

- ▶ Reflects Eisenhower's commitment to innovation
- ▶ Elevates care while addressing the evolving needs of our Valley
- ▶ Through comprehensive services and progressive technology, we are committed to delivering world-class cardiovascular care.

"Our 350 Cardiovascular team members mend 1,000 hearts daily - nearly 300,000 annually - treating complex cardiovascular diseases."

Scott Strech

Chief Administrative Officer, Cardiovascular Institute

EISENHOWER CHILD CARE CENTER
Rendering of the inside and playground

The Child Care Challenge

- ▶ 36% of 5,000 employees are raising young children
- ▶ Affordable, convenient child care is difficult to find

A Purpose-Built Solution

- ▶ New 17,000 sf facility with 14,000 sf of outdoor play space
- ▶ Safe, nurturing environment for children

A Unique Location

- ▶ Across from main campus
- ▶ Adjacent to the Brandman Memory Care Center

Benefits for Our Workforce and Community

- ▶ Staff can focus on patient care with peace of mind
- ▶ Strengthens sense of community
- ▶ Attracts top talent and reduces turnover
- ▶ Encourages intergenerational collaboration and connection

An Investment in the Future

- ▶ Supports employees and their families
- ▶ Enhances care, retention, and community well-being

"As President and CEO of an organization named to Forbes America's Best Employers list, I am committed to supporting our employees with the resources they need to provide exceptional care to our patients. Our employees come from all walks of life and economic backgrounds. The Eisenhower Child Care Center will be a game changer for those employees and their families."

Martin Massiello

President and CEO, Eisenhower Health

SAUL AND JOYCE BRANDMAN MEMORY CARE CENTER
Rendering of the building

The Need for Memory Care

- ▶ California will have 10.8M adults 65+ by 2030
- ▶ Alzheimer's and Parkinson's cases are rising rapidly
- ▶ Only 4,600 adult day centers exist nationwide

Eisenhower's Response

- ▶ New 20,000 sf Saul and Joyce Brandman Memory Care Center
- ▶ Affordable, safe, and compassionate day care
- ▶ Designed for patients and family caregivers alike

Services That Make a Difference

- ▶ Cognitive, physical, and creative activities
- ▶ Music, arts and crafts, and gentle exercise
- ▶ Support groups, educational tools, and a resource library for caregivers

Our Mission

- ▶ Enhance quality of life for patients
- ▶ Support and relieve overwhelmed families

"The Memory Care Center will be a haven of care and compassion, offering solutions to families struggling to balance everyday life and the care of their loved ones."

Aadila Sabat-St. Clair

Administrative Director, Volunteer Services, Spiritual Care, and Memory Care

The heart of care

EISENHOWER HEALTH
PASSION FOR EXCELLENCE CAMPAIGN

The Cardiovascular Pavilion

- ▶ Located in the Dennis and Phyllis Washington Building on the main campus
- ▶ Additional 25,000 square feet to cardiovascular procedure areas

Expanded Services

- ▶ 2 Electrophysiology (EP) labs
- ▶ 2 Hybrid surgical suites for intensive procedures
- ▶ 3 Catheterization labs

“Cardiovascular has two major drives. The first is to expand the Imaging Center to increase intake for invasive and interventional procedures within the new Cardiovascular Pavilion. The second is to create the Outpatient Center where patients come for office visits and undergo testing – echocardiograms, stress tests, other kinds of imaging studies – all within one Institute. We’re streamlining the process to improve their entire experience.”

Khôi Lê, MD, FACC

Co-Director, Cardiac Catheterization Laboratory Cardiologist/Interventional

EISENHOWER HEALTH
PASSION FOR EXCELLENCE CAMPAIGN

MARK AND PAULA HURD CANCER PAVILION
Completed in ► 2024

EISENHOWER HEALTH
PASSION FOR EXCELLENCE CAMPAIGN

Expanding Cancer Care Access

- ▶ Mark and Paula Hurd Pavilion added 12,000 sf
- ▶ 31 exam rooms

Meeting Rising Demand

- ▶ 50,000 infusions projected in 2025 across 5 locations
- ▶ 15,000 more than five years ago

Future Expansion Plans

- ▶ 10 new infusion chairs at Lucy Curci Cancer Center
- ▶ 7 new chairs in Palm Springs

Impact of Expansion

- ▶ 400–600 more patients treated per month
- ▶ Monthly volume expected to grow from 1,800 to 2,400+
- ▶ More space per chair for family to stay at bedside

Why It Matters

Every chair means one more patient starts treatment sooner. Surrounded by loved ones, with greater hope for recovery.

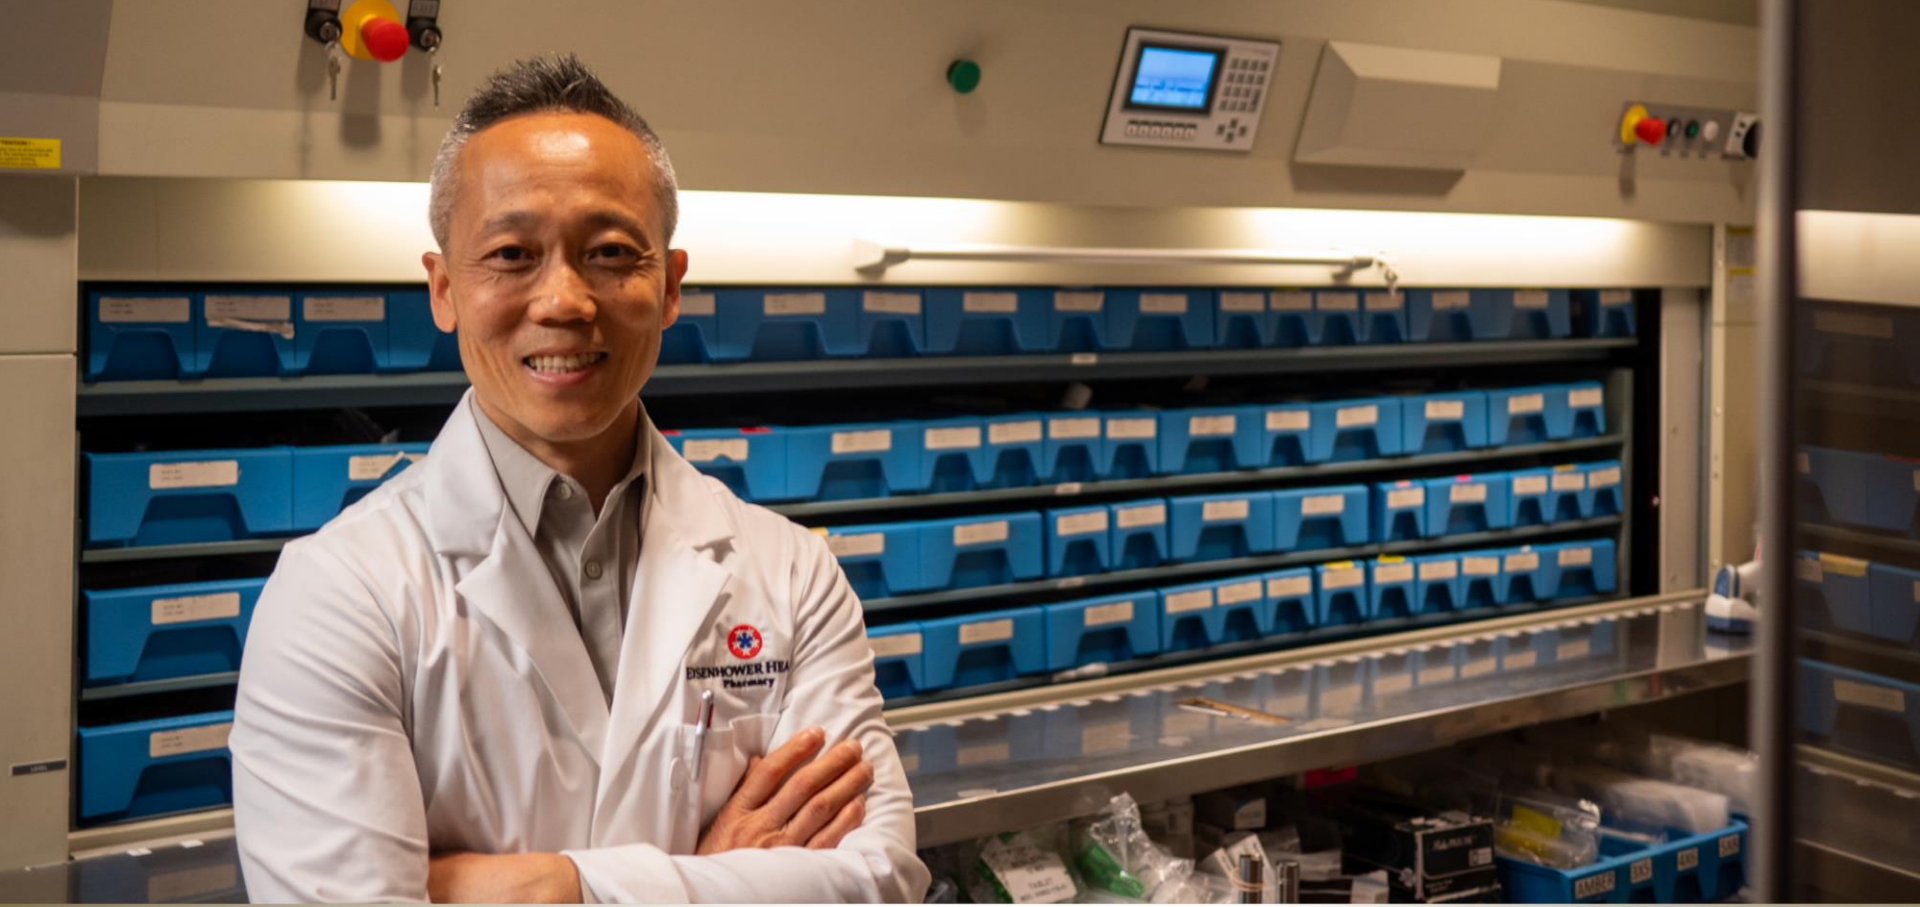

"We have excellent care, expert physicians in multiple specialties, access to clinical trials, the newest treatments and medications, new equipment and technology, and a staff that cares deeply about our patients."

Steven Plaxe, MD

Director, Lucy Curci Cancer Center

JOHN STAUFFER INPATIENT PHARMACY, 12,000 SQ FT

PASSION FOR EXCELLENCE CAMPAIGN

Modernizing Our Pharmacy

- ▶ Enhances patient care and safety through advanced systems

Key Benefits

- ▶ **Improved Medication Safety:** Smart tech reduces errors
- ▶ **Boosted Efficiency:** Faster dispensing for emergencies and chronic care
- ▶ **Expanded Access:** Quick medication availability speeds recovery
- ▶ **Advanced Technology:** Automated inventory and operations
- ▶ **Clinical Trial Support:** Access to new treatments
- ▶ **Training Future Leaders:** Residency programs improve medication management
- ▶ **Personalized Medicine:** Tailored treatments for individual needs
- ▶ **Community Service:** Supports both inpatient and outpatient care

An example of an automated solution which uses barcode for medication administration, supporting accuracy, control and compliance.

"Having a modern Inpatient Pharmacy right here on hospital campus is like having a lifeline for patient care. A pharmacy provides access to quicker relief for patients, smoother transitions between treatments, and a profound impact on their recovery journey."

Alan Williamson, MD

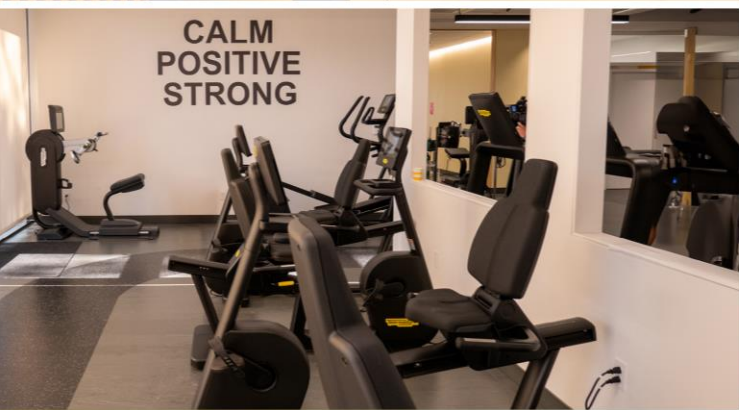

Vice President, Medical Affairs/Chief Medical Officer
