

UCR University Extension

Transforming lives through the
power of lifelong learning.

Kevin J. Vaughn, Dean
November 13, 2025

About Us

- Inland California's largest C.E. provider for **65 years**
- **UC quality** programs and courses that advance career readiness and drive innovation – most result in **certificate**
- Programs designed to help **retain jobs in key sectors** like technology, entrepreneurship, business, education, law and justice
- 100% **self-supporting** (expenses paid through tuition, grants, philanthropy)
