Mr. Armstrong:

Enclosed you will find a notice of public hearing for consideration of removing you from the Housing Commission due to accruing six (6) unexcused absences in the past twelve (12) months. City staff has attempted to contact you on several occasions via email, letters, and voicemails, urging you to contact us so we may better understand the reason for your absences and work with you to reach a resolution.

I want to ensure that you are aware that State law prohibits the Housing Authority from removing you from office without your voluntary resignation or conducting a public hearing. We have provided you with multiple opportunities to resign voluntarily, and this letter serves as notification of the charges against you.

The City Council holds its community volunteers in high regard, and it is my sincere desire to resolve this matter without the need for a public hearing. However, we cannot move forward with filling your position on the Housing Commission without the public hearing or your cooperation. To that end, I am enclosing a voluntary resignation form for your consideration, or you may simply call or send an email to that effect. I hope you will contact us before August 17, 2023, at which point this matter will be listed on the Housing Authority agenda.
